Please check the date allocated to you. If you are unable to make your slot, please try to swap with someone and let me, Rochelle (rochellebloom@hotmail.com) know so that the master copy on the fridge, the administrator and the website can all be updated. Please ask administrator (admin@kolnefesh.org.uk) for email addresses if necessary.

Please arrive by 11am for your duty. A normal kiddush preparation includes setting and washing up - we do not use any plastic crockery or cutlery- and leaving the kitchen area clean and tidy and wiping the serving table cloth. All left-over food should be put in airtight containers and stored in fridge or food cupboard whichever is appropriate.

Since we do not share our current premises, Hyman Hall, the washed kiddush glasses can be left out to dry on a T-towel after the kiddush for use the following week.

Please also let me or Sarah (sarah@planetburns.org.uk) know if we are running short of anything.

Many thanks for your help

* Rosh Hashannah 1st day - only a children's kiddush, apples, honey, honey cake, grape juice. Liaise with the parents regarding timing of this.

** Topped mezzunot rolls, beigels etc, water and soft drinks, danish pastries and fruit.
